

## Refund Policy

This Warranty covers GPS Digital RPD, Inc. (“GPS”) restorations that are fabricated and sold by and under the GPS DIGITAL RPD name (the “Product”). The warranty is exclusively for the benefit of eligible laboratories and is not for the benefit of any other person or entity, including, but not limited to, any patients, dentist and other intermediate suppliers.

1. **Warranty Period.** This Warranty is granted for a period of three years from the invoice date of the Product.
2. **Scope of Warranty.** Subject to the eligibility requirements set forth below, if the Product fails during the Warranty Period, GPS DIGITAL RPD will reimburse the cost of the Product with proof of the invoice price at no additional cost to you.
3. **Eligibility.** To be eligible for the Warranty, the laboratory must:
  - a. Provide notice to GPS DIGITAL RPD within 7 days after the failure of the Product was discovered. Such notice shall include documentation demonstrating the facts and circumstances surrounding the failure of the Product; and
  - b. Not have any outstanding balance owing to GPS DIGITAL RPD .
4. **Exclusions.** This Warranty shall not apply if the failure is caused by:
  - a. Trauma, accident, or other damage by the patient or a third-party;
  - b. Placement of the Product in a patient with accepted contra-indicated conditions that would interfere with successful integration, including, but not limited to, diseases related to alcoholism, uncontrolled diabetes, and habitual drug dependency; or
  - c. Normal wear and tear.
